Complaint 42-20, under the Ombudsmen Act 1975, and request for a review under Part 5 of the Official Information Act 1982, regarding the Health and Disability Commissioner's decision to withhold a letter dated 16 Aug. 2010 that is of public interest

Dear Ombudsman Mr Donnelly, dear staff at the Office of Ombudsmen

Yesterday, at 22.59h and 23.08h, on 13 June 2017, I sent you two emails in relation to the above, being in response to Ombudsman Leo Donnelly's provisional opinion on a part of my complaint 42-20.

Regrettably I made a few mistakes, for instance in the title lines, where it should of course have referred to 'a letter dated 16 Aug. 2010', and not as I wrongly wrote it "18 Aug. 2010". It happened with both emails, and also in my actual letter, attached as a PDF, where I put the wrong date in the title or 'regarding' lines. Please take note of this, but for the rest of the correspondence the date of the letter appears to have been referred to correctly.

Also did I by accident attach the wrong PDF file to the first email I sent at 22.59h, that is under '2)'. I attached another letter by Dr D [redacted] which was though not the one that I refer to in my letter. The correct PDF with the correct letter dated 20 Sept. 2012 is attached to this email.

Last not least, I made a mistake in paragraph [36] in my letter dated 13 June 2017, where I referred to a page in an also attached document under '5)'. (MAB manual). It should not refer to "page 14", but actually 'page 4', where the referred to information on the legal jurisdiction of a 'Medical Appeals Board' is defined.

I apologise for these mistakes, but feeling under a lot of pressure with all these matters of concern, I failed to pick up on these details when double checking my correspondence and email text last night.

I trust that you will find your way through all this, after having taken note of these necessary corrections.

Yours sincerely
